

ORDINANCE NO. 1790-17

AN ORDINANCE AMENDING THE VILLAGE CODE OF THE VILLAGE OF HAWTHORN WOODS TO ADD - TITLE 7 SECTION 7-2-8 – ESTABLISHING STANDARDS FOR RIGHT-OF-WAY TREE PLANTING PROGRAM

BE IT ORDAINED by the Mayor and Board of Trustees of the Village of Hawthorn Woods, Lake County, Illinois, as follows:

SECTION ONE: That Title 7, Chapter 2 of the Village Code of the Village of Hawthorn Woods, entitled Section 7-2-8 of “Streets, Sidewalk and Public Ways”: is hereby amended by adding the following section:

“7-2-8: STANDARDS FOR RIGHT-OF-WAY TREE PLANTING PROGRAM:

- A. Standards for Right-Of-Way Tree Planting Program:
1. At the sole discretion of the Village, the Village will provide a program to residents in the Spring and Fall, whereby residents can participate in the Right-of-Way Tree Planting Program.
 2. Tree plantings in right-of-way are allowable only in neighborhoods with underground drainage within the right-of-way (storm sewer).
 3. Tree plantings are not allowed in right-of-way with ditch drainage systems and/or driveway culverts.
 4. Trees are not permissible in areas where they can be an obstruction to drainage.
 5. No tree can be planted within the Village right-of-way by residents or a contractor hired by residents unless done pursuant to the requirements of the Ordinance.
- B. Process to participate in Right-Of-Way Tree Planting Program:

1. Plantings must be approved by Village and meet the Village's approved Right-Of-Way Planting List referenced below, which may be modified from time to time:

Right-of-Way Planting List

Scientific Name	Common Name	Size

Ulmus 'NewHorizon'	Elm, New Horizon	2.5"

* These trees produce acorns.

2. Applicant must submit Application for Right-of-Way Tree Planting Program to the Village.
3. Applicant must submit site sketch denoting proposed location of tree(s). Sketch must include all other items in the area (fire hydrants, street lights, driveway aprons, sidewalks, etc...)
4. There will be no fee for this program, aside for the cost of the tree(s) to be planted which shall be paid by the applicant prior to the planting of the tree.
5. Upon receiving approval, the Village will add tree(s) to list to be planted each Spring and Fall by a contractor selected by the Village.

C. Required spacing and location of tree(s):

1. Trees shall be spaced approximately 50 feet apart, unless otherwise approved.
2. Trees cannot be placed in locations where they impair visibility at driveways and street intersections or block street signage.
3. Trees shall not be placed over underground Village utilities or watermain or sanitary sewer.
4. Trees shall be placed equidistant between the curb and sidewalk, or as approved.
5. Trees shall have a minimum caliper of 2.5 to 3 inches.
6. Trees can only be planted in Village Right-of-Way and can't be planted along private roads or on private property as part of this program.
7. The Village has the ultimate decision on where trees will be planted.

D. After the trees are planted:

- 1 The Village is not responsible for watering the new tree(s).

2. The trees shall not be re-planted to a different location in ROW or on private property.
3. The Village will be responsible for trimming trees for sight-line safety and removing trees, if they die or become a hazard, in the sole discretion of the Village.
4. The Village is not responsible to replace the tree(s)."

SECTION TWO: That all ordinances and resolutions, or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of such conflict, superseded by this Ordinance.

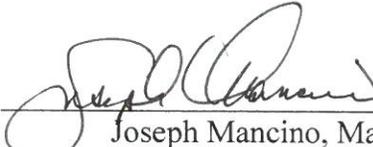

SECTION THREE: That this Ordinance shall be in full force and effect ten (10) days from and after its passage, approval and publication in pamphlet form as provided by law.

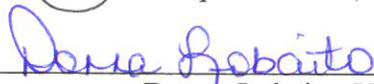

The foregoing Ordinance was adopted on September 25, 2017 by a roll call vote as follows:

AYES: Hauer, Hoek, Riess, Corrigan, Dimaggio, David
