THIS AGREEMENT is entered into by the VILLAGE OF HAWTHORN WOODS, Illinois (the "Village") and the METROPOLITAN ALLIANCE OF POLICE, HAWTHORN WOODS POLICE CHAPTER, #483 (the "Union") this 26th day of March 2018, and is in recognition of the Union's status as the representative of certain of the Village's full-time employees and has as its basis purpose the promotion of harmonious relations between the parties, the establishment of an equitable and orderly procedure for resolving differences arising out of the employment relationship and the establishment of an entire agreement covering rates of pay, hours of work; and other conditions of employment for employees of the Village in the unit described in Article I hereof. Therefore, in consideration of the mutual promises and agreements contained in this Agreement, the Village and the Union do mutually promise and agree as follows:

ARTICLE I
RECOGNITION OF BARGAINING AGENT

Section 1.1 Recognition of Bargaining Agent. The Village agrees during the term of this Agreement to recognize the Union as the sole and exclusive bargaining agent with respect to wages, hours and conditions of employment for employees in the following unit:

All full-time sworn peace officers, excluding the Chief of Police, Commanders, Lieutenants, Sergeants, part-time officers, civilian employees and any supervisory, managerial or confidential employees and all other employees of the Village of Hawthorn Woods.

The probationary period shall be eighteen (18) months following the officer's date of hire. Time absent from duty or not served shall not apply toward satisfaction of the probationary period. During the probationary period, an officer is entitled to all rights, privileges or benefit under this Agreement, except as limited by the express terms of this Agreement, which limitations include that the Village may suspend or discharge a probationary employee without cause, and such employee shall have no recourse to the grievance procedure or the Hawthorn Woods Board of Police Commissioners to contest the suspension or discharge.

Section 1.2 Fair Representation. The Union recognizes its responsibility as the exclusive bargaining agent of all employees in the bargaining unit and agrees to fairly represent each and every employee regardless of whether they are members of the Union.

Section 1.3 Gender. In this contract, the pronouns "He, Him, and His" shall refer to both male and female employees equally.

ARTICLE II

MANAGEMENT RIGHTS

Section 2.1 Management. Except as specifically limited by the express provisions of this Agreement, and subject to the powers of the Hawthorn Woods Board of Police Commissioners, the Village retains all traditional rights to manage and direct the affairs of the Village in all of its various aspects and to manage and direct its employees, including but not limited to the following: to plan, direct, control and determine the budget and all the operations, services, policies, practices and missions of the Village; to supervise and direct the working forces; to establish the qualifications for employment and to deploy employees both internally and externally to other police-related assignments or functions; to schedule and assign work; to establish and eliminate specialty positions and to select personnel to fill them; to transfer and reassign employees; to establish work and productivity standards and, from time to time, to change those standards; to assign overtime; to purchase goods and contract out services; to determine the methods, means, organization and number of personnel by which departmental operations and services shall be made or purchased; to make, alter and enforce rules, regulations, orders, policies and procedures; to evaluate, promote or demote employees and to establish the standards for such promotions; to establish performance standards; to discipline, suspend and/or discharge non-probationary employees for just cause (probationary employees without cause); to change or eliminate existing methods, practices, equipment or facilities or introduce new ones without having to negotiate over the effects of such change; to determine fitness and training needs and to assign employees to training; to determine work hours (shift hours) and to change them from time to time; to determine and implement internal investigation procedures; to take any and all actions as may be necessary to carry out the mission of the Village and the police Department in the event of civil emergency as may be declared by the Village Mayor, Police Chief or their authorized designees, which may include, but are not limited to: riots, civil disorders, tornado conditions, floods or other catastrophes or financial emergencies, and to generally carry out the mission of the Village. In addition, all rights and authority exercised by the Village prior to this Agreement, which are not enumerated above, shall be reserved and retained by the Village.

Section 2.2. Authority of the Hawthorn Woods Board of Police Commissioners. This Agreement is not intended and shall not be construed to diminish or modify the authority of the Hawthorn Woods Board of Police Commissioners, or any successor to it. The parties hereto expressly recognize the existing authority of said Board.

Section 2.3. Work Rules, General Orders and Regulations. The Village may adopt, change or modify work rules, general orders and regulations ("work rules"). The Village agrees to post or make available in the department a copy of its applicable work rules where such rules exist in writing. Whenever the Village changes rules or issues new rules applicable to employees, the Union will be given at least three (3) days' prior notice, absent emergency, before the effective date of the work rules in order that the Union may discuss such rules with the Village within that three (3) day period before they become effective, if the Union so requests.

ARTICLE III
PERSONNEL FILES

Section 3.1. Review Of Personnel Files. All employees may review their respective personnel files pursuant to applicable provisions in the “Access to Personnel Records Act”, Illinois Compiled Statutes Chapter 820, Section 40/11 et seq.

Section3.2. Purge of Personnel File. Any oral or written reprimand shall be removed from the employee’s record if, from the date of the last reprimand, eighteen (18) months has lapsed by without further discipline. Any suspension from duty due to disciplinary action shall remain in the effected officer’s personnel file indefinitely.

ARTICLE IV UNION SECURITY

Section 4.1. Fair Share. During the term of this Agreement, Police Officers who are not members of the Chapter shall, commencing thirty (30) days after the effective date of this Agreement, pay a fair share fee to the Chapter for collective bargaining and contract administration services tendered by the Chapter as the exclusive representative of the Officers covered by this Agreement. Upon receipt of proper written authorization, such fair share fee shall be deducted by the Village from the earnings of non-members and remitted to the Chapter each month. The Chapter shall annually submit to the Village a list of the Officers covered by this Agreement who are not members of the Chapter and an affidavit which specifies the amount of the fair share fee, which shall be determined in accordance with the applicable law.

Section 4.2. Dues Deduction. Upon receipt of proper written authorization from an employee, the Employer shall deduct each month's Chapter dues in the amount certified by the Chapter or Metropolitan Alliance of Police from the pay of all officers who are members of the Chapter. Such money shall be submitted to the Metropolitan Alliance of Police within fifteen (15) days after the deductions have been made.

Section 4.3. Union Indemnification. The Metropolitan Alliance of Police shall indemnify and hold harmless the Village, its elected representatives, officers, administrators, agents and officers from and against any and all claims, demands, actions, complaints, suits or other forms of liability (monetary or otherwise) that may arise out of or by reason of any action taken or not taken by the village for the purpose of complying with the provisions of this Article, or in reliance on any written check-off authorization furnished under any of such provisions, provided that the Village does not initiate or prosecute such action.

Section 4.4. Bulletin Board. The Village will make bulletin board space available in or proximate to the break room, for postings of notices of educational opportunities, notices of extra duty opportunities, notices of periodic Union meetings, and for the seniority roster. The Union shall limit its posting of notices and other materials to such bulletin board. The Union shall not post any abusive or inflammatory material or any partisan political material.

Section 4.5. Union Business. Union officers holding the positions of President, Vice President and Secretary shall be entitled to conduct Union business, but only while off duty and with other off duty bargaining unit personnel, provided that these individuals may conduct Union business during their scheduled lunch break if it does not interfere with police business because these individuals are on call during their scheduled lunch break.

ARTICLE V
NO STRIKE, NO LOCKOUT

Section 5.1. No Strike. Neither the Union nor any officers, representatives, agents or employees of the Union nor any bargaining unit employees will call, authorize, instigate, encourage, promote, sponsor, engage in, participate in, ratify or condone any strike, sympathy strike, secondary, boycott, slowdown, speed-up, sit-down, work stoppage, withholding of services, concerted refusal to perform overtime, concerted, abnormal or unapproved enforcement procedures or policies, work-to-the-rule situation, mass resignations, mass absenteeism, organized interference, or picketing, regardless of the reason for doing so. Each employee, who holds the position with the Union or who is a steward of the Union, occupies a position of special trust and responsibility in maintaining, honoring and bringing about compliance with the provisions of this Article, as well as in remaining at work. In addition, in the event of a violation of this section of this Article, the Union agrees to inform its members of their obligation under this Agreement and to direct them to return to work immediately.

Any grievance filed under this section shall be solely limited to the issue of whether the employee or employees engaged in any conduct which violated this section.

Section 5.2. – No Lockout. The Village will not lockout any employees during the term of this Agreement as a result of a labor dispute with the Union. A “lockout” shall refer to a refusal by the Village to allow employees, who are scheduled to work, to actually work in order to obtain a concession with regard to rates of pay, hours of work and other conditions of employment.

ARTICLE VI GRIEVANCE PROCEDURE

Section 6.1. Definition of Grievance. A grievance is defined as a complaint, a dispute, or difference of opinion arising under and during the term of this Agreement raised by full-time sworn patrol officers or the Union involving an alleged violation, misinterpretation or misapplication of an express provision of this Agreement. All grievances and responses shall be in writing. It is understood that the grievance procedure herein does not affect or inhibit the rights of the Board of Police Commissioners or limit in any way its jurisdiction to discharge its duties and responsibilities or the Rules and Regulations adopted by the Village or the Board of Police Commissioners pursuant thereto.

Section 6.2. Grievance Procedure. Recognizing that grievances should be raised and settled promptly, a grievance must be raised by the affected employee and/or a Union Officer within **ten (10)** working days after the occurrence of the event giving rise to the grievance, in accordance with the following procedure (a working day includes all days whether the affected employee does or does not actually work, but shall not include Saturdays, Sundays, and holidays observed by the Village).

Step One: Immediate Supervisor. The employee shall submit his grievance to his non-bargaining unit supervisor of the rank of sergeant or above ("superior officer"). Such notification shall specifically state that the matter is a grievance under this Agreement and shall include a description of the event giving rise to the grievance, the date of the event, and specific provision of the Agreement alleged to have been violated and the relief requested. The superior officer shall answer the grievance within five (5) days.

Step two: Appeal to Chief. If the grievance is not settled in Step One, or if a timely answer is not given, the patrol officer may, within five (5) days following the superior officer's answer or expiration of the time limit set forth in Step One, file with the Chief of Police a written appeal signed by the employee. The written appeal shall include a description of the event giving rise to the grievance, the date of the event, and the provision of the Agreement alleged to have been violated and the basis upon which the grievant believes the grievance was improperly denied at the previous step. The employee and a representative of the Union (if requested by the employee) may meet with the Chief to discuss the grievance at a mutually agreeable time. If no agreement is reached in such discussion, the Chief or his designee shall give a written answer within ten (10) days of the date of the discussion.

Step Three: Appeal to Chief Operating Officer. If the grievance is not settled in Step Two, or if a timely answer is not given, the employee may, within ten (10) days thereafter, file with the Chief Operating Officer or his designee, a written appeal signed by the employee. The employee and a representative of the Union (if requested by employee) will meet with the Chief Operating Officer or his designee to discuss the grievance at a mutually agreeable time. If no agreement is reached in such discussion, the Chief Operating Officer or his designee will give his answer in writing within ten (10) days of the date of the discussion.

Step Four: Arbitration. If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to arbitration by giving written notice to the Chief Operating Officer or her designee within ten (10) days after the receipt of the Chief Operating Officer's answer in Step Three.

A. If the parties are unable to agree upon an arbitrator within ten (10) days after the Village receives the notice of referral, the grieving party shall request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators, all of whom shall be members in good standing of the National Academy of Arbitrators.. Upon receipt of the panel, the Union shall strike three names and the Village shall then strike three names, and the person whose name remains shall be the arbitrator, provided that either party, before striking any names, shall have the right to reject the panel of arbitrators in its entirety and request that a new panel be submitted.

B. The arbitrator shall be notified of his selection and shall be asked to set a time and place for the hearing, subject to the availability of the Village and Union representatives. Upon the request of either party, the arbitrator shall have the power to require the presence of a reasonable number of witnesses or documents.

C. The arbitrator shall have no power, in his decision or award, to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation, or misapplication of the specific provision of this Agreement. He shall consider and decide only the specific issue submitted to him as raised and presented in writing at Step One and shall have no authority to make his decision on any issue not so submitted. His decision shall be based solely upon an interpretation of the meaning or application of this Agreement to the facts of the grievance presented. More than one grievance may be submitted to the same arbitrator if both parties mutually agree in writing. The arbitrator shall submit in writing his decision within thirty (30) calendar days following close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension. In the event the arbitrator finds a violation of the Agreement, he shall determine an appropriate remedy.

Any decision or award of the arbitrator rendered consistent with this Article shall be final and binding on the parties. The costs of the arbitration, including the fee and expenses of the arbitrator and the cost of the court reported and a written transcript, if any, shall be divided equally between the Village and the Union. Each shall be responsible for compensating its own representatives and witnesses. In the event, a party (Village or Union) refuses to comply with the provisions of a binding arbitration award, the non-complying party shall be responsible for all subsequent legal costs and fees that are associated with legal enforcement of the award; including, but not limited to attorney fees and costs for the Complaining party.

Section 6.3. Time Limits. No grievance shall be entertained or processed unless it is filed within the time limits set forth in Section 6.2. If a grievance is not presented by the employee or the Union within the time limits set forth above, it shall be considered waived and may not be further pursued by the employee of the Union. If a grievance is not appealed within the time limits for the appeal set forth above, it shall be deemed settled on the basis of the last answer of the Village

and shall not be subject to further appeal. If the Village fails to provide an answer within the time limits so provided, the Union may immediately appeal to the next step.

Section 6.4. Investigation and Discussion. All grievance discussions and investigations shall take place in a manner which does not interfere with Village operations. No time spent on grievances or other Union related matters by employees shall be considered time worked for compensation purposes unless the police Chief provides written authorization to the contrary.

Section 6.5. Suspension or Termination. It is understood that discipline (oral, written and all suspensions thirty days or less), are subject to the jurisdiction of the Chief and the Hawthorn Woods Board of Police Commissioners and is subject to Discipline procedure as outlined in Section 16.4 of this Agreement.

In the event an officer receives a Notice of Discharge, that officer shall file his appeal after receiving a final discharge decision made at Step 3 of the Grievance procedure. The charged officer who elects to appeal the discharge decision shall choose one of the following procedural processes:

- 1) By filing an appeal through the Step Four Arbitration clause contained within Section 6.2 of this Agreement

or

- 2) By requesting a hearing before the Hawthorn Woods' Police Commission. The hearing shall be in accordance with all state and local laws; including but not limited to 65 ILCS 5/10-2.1-17.

If an officer chooses to file his appeal through the Step Four Arbitration clause, it is clearly understood by all parties involved that the Hawthorn Woods' Police Commission no longer has venue and jurisdictional authority over the matter.

ARTICLE VII
HOURS OF WORK, OVERTIME, AND COMPENSATORY TIME

Section 7.1. Purpose. This Article defines the normal hours of work, and establishes the basis for the calculation of overtime. It is, however not, a guarantee of hours of work per day, work period, month or year. It is not intended to establish a right to compensation in any form for time not worked except as specifically provided for this Article.

Section 7.2. Shift Schedule. Covered employees shall be entitled to pick work shifts on a seniority basis, provided the Village agrees to such shifts. Said shifts shall be selected on an annual basis. The Village shall post each year's schedule on November 1st upon which each officer will pick his desired shift. The new schedule will then become effective on January 1st of the following year and will remain in effect until December 31st of the same year. The Village may change the established schedule from time to time as operational needs dictate. If a change in the current schedule is contemplated which will effect a majority, (more than fifty percent) of the bargaining unit, the Chief or his/her designee will discuss such changes with bargaining unit representatives prior to such implementation. The Village will give affected employees at least five (5) calendar days written notice prior to the actual implementation of any deviation from the established schedule, if the Village foresees that the deviation will last longer than two (2) weeks.

The Village shall provide to all employees covered by this Agreement, a written work schedule for a period of at least ninety (90) days in duration, provided that such schedule may be changed by the village as described above. Said schedule shall be posted at least thirty (30) days prior to its effective date.

Section 7.3. Exchanging Shift Assignments. Covered employees requesting to switch days off or switch duty tours with other Officers must submit written requests at least forty eight (48) hours in advance of the first scheduled change, absent emergency conditions. Emergency switches must carry the authorization of the Chief of Police or Deputy Chief or his designee. Switches must carry prior approval of the supervisors of all shifts affected by the change. The requests shall not be honored if granting such a request would adversely affect police department operations or create an overtime situation. Both ends of the shift swap shall take place within three pay periods.

Section 7.4. Normal Workday. Except as provided elsewhere in this Article, the normal two week workday shall consist of six (6) - twelve hour days and one (1) - eight hour day including a one-half (1/2) hour paid lunch and two (2) - twenty minute paid breaks provided, however, lunch periods may not be combined with breaks. If an Officer's lunch is seriously interrupted by emergency work duties, the Officer shall be allowed to take additional time off for lunch to account for his thirty (30) minute lunch period, work load permitting.

Covered employees, except in emergency situations, will be relieved for a meal break. The employer will make every reasonable effort to allow covered employees to fully utilize their rest periods.

Section 7.5. Overtime Hours and Scheduling. Covered Employees shall receive payment at time and one-half their regular hourly rate of pay for all hours worked in excess of a regularly scheduled shift, provided that the Village has approved it in advance. The current Village practices regarding overtime hours and scheduling shall be continued.

Section 7.6. Court Time. An officer, who is required by the Village to be in court while off duty, shall be compensated at one and one-half (1-1/2) times his regular hourly rate of pay for hours spent on court time, with a minimum of two (2) hours compensation.

Section 7.7. Call-Out Pay. A “call out” is defined as an official assignment of work outside of the employee’s residence which does not continuously precede or follow an Officer’s regularly scheduled working hours. Call outs shall be compensated at time and one half (1/2) for all hours worked on call-out. A minimum of two (2) hour’s pay will be guaranteed for all call-outs, including department meetings. A maximum of three (3) hours pay will be provided for range practices.

Section 7.8. No Pyramiding. Overtime compensation shall not be paid more than once for the same hours under any provisions of this Article or this Agreement or under any State or Federal law.

Section 7.9. Extra Details. The current Village practices regarding the assignment of extra details shall be continued.

Section 7.10. Compensatory Time. Compensatory time is accumulated at the rate of time and a half and placed in a compensatory bank at the discretion of the officer in lieu of monetary compensation for overtime. The Chief of Police or his designee must approve the time or times at which the officers may take said compensatory time. All requests for compensatory time off shall be in writing and submitted to the Chief of Police or his designee for approval. The approval of the Chief of Police or his designee shall not be unreasonably withheld on condition that any request for compensatory time does not create an overtime situation.

Absent exigent circumstances or prior approval of Chief of Police and/or her designee, compensatory time shall not be substituted in lieu of sick time.

On January 1 of each year, the Village will grant 8 hours of compensatory time to each officer. A compensatory bank shall allow an officer to accrue said compensatory time up to a maximum of eighty (80) hours.

Section 7.11 Part-Time Police Officers. The Village may employ part-time police officers, who have been certified by the Illinois Law Enforcement Training Standards Board, to perform duties allowed by 65 ILCS 5/3.1-30-21.

ARTICLE VIII VACATIONS

Section 8.1. Eligibility and Allowances. All employees shall be eligible for paid vacation time after the completion of one (1) year of continuous full-time employment. Employees start to earn vacation allowances as of their date of hire. Vacation allowances will be granted in one lump sum on January 1st of each year, based on the following schedule:

LENGTH OF CONTINUOUS SERVICE	VACATION HOURS PER YEAR
After One (1) year	80 hours
Five to Ten years	120 hours
After Ten (10) years	160 hours
After Fifteen (15) years	168 hours
After Sixteen (16) years	176 hours
After Seventeen (17) years	184 hours
After Eighteen (18) years	192 hours
After Nineteen (19) years	200 hours

The probationary period shall be counted as continuous service when calculating vacation benefits.

Upon termination any earned unused vacation shall be liquidated in a cash payment to the terminating employee.

Section 8.2. Vacation Pay. The rate of vacation pay shall be the employee's regular straight-time rate of pay in effect for the employee's regular job classification on the payday immediately preceding the employee's vacation.

Section 8.3. Time for Vacations. Vacations must be taken during the twelve (12) month period following accrual unless vacation has been denied by the Village due to its operations. A maximum of forty (40) hours of vacation that has accrued but remains unused during a pertinent calendar year shall roll-over into the following year. In the event, an officer is unable to take any of his rolled-over forty (40) hours of vacation time due to operational needs, the Village shall buy back the unused roll-over time up to a maximum of forty (40) hours at the officer's normal rate of pay. The Village shall provide a separate check representing unused vacation on or before December 15 of the current calendar year. Vacation time, once sold back to the Village, shall no longer be available for use by the affected employee.

Section 8.4. Scheduling. Vacation shall be scheduled on a seniority basis with the most senior full-time sworn Officers, whether or not they are members of the bargaining unit, selecting their vacations first and so on until all Officers have had at least one (1) opportunity to schedule a vacation. Said selections shall take place between December 1st and January 31st of the following year. One week of the vacation shall be taken in a five day block. Subsequent to each Officer being allowed an opportunity to schedule vacations, vacations shall be scheduled on a first come

first served basis as needed and allowed. The purpose of vacation time is to refresh and renew the Officer. Any officer requesting vacation leave within five (5) working days shall submit his request to the Chief of Police or her designee for approval prior to receiving time off.

Section 8.5. Calculating Length of Vacation for New Employees and in Year of Severance.

Vacation shall be earned on a pro-rate basis during an employee's first year of employment and in the employee's year of separation. For example, should an employee begin employment on May 1, then the following January 1 that employee shall have earned 8/12ths of the vacation time but may not take such time until completion of the full year. The same shall apply upon separation of employment. Employees shall earn credit for vacation on a pro-rate basis as per the example above and shall be paid upon separation for such unused time on a pro rata basis as per the example above.

Section 8.6. Village Emergency. In case of an emergency, such as but not limited to a riot, civil disaster, presidential visit, extreme illness and the like, the Village Mayor, the Police Chief or their designee, may cancel and reschedule any or all approved vacation leaves in advance of their being taken, and/or recall any employee from vacation in progress.

Section 8.7. Accrual of Vacations for Employees on Leave. Accrual of vacation for employees on any type of leave shall be in accordance with Village policy.

ARTICLE X INSURANCE

Section 10.1. Type of Insurance and Level of Employee Contributions For Insurance. For the duration of this Agreement, the Village continues to make available to the full-time sworn patrol officers the medical, dental and vision insurance plans/coverages that the Village now makes or will make available to other employees in the Village. For the duration of this Agreement, the full-time sworn patrol officers will continue to make monetary contributions for such medical, dental and vision insurance plans/coverages in the same manner as other employees in the Village now make or will make.

The parties acknowledge that the Village shall have the right to change such insurance plans/coverages and such monetary contributions by the employees for such insurance plans/coverages, provided that any future insurance plans/coverages will be made in the same manner by the full-time sworn patrol officers and other Village employees.

The parties also acknowledge that health, dental and vision insurance providers only offer a limited number of plans and that health, dental and vision insurance plans vary between providers. The parties further acknowledge that the Village's selection of health, dental and vision insurance plans are limited to those plans as offered by insurance providers and consequently the Village cannot guarantee a specific level of individual benefit levels in any health, dental and/or vision plan.

Section 10.2. Terms of Insurance Policies to Govern. The extent of coverage under the insurance policies (including PPO, HMO and self-insured plans) referred to in this Agreement shall be governed by the terms and conditions set forth in said policies or plans. Any questions or disputes concerning said insurance policies or plans or benefits hereunder shall be resolved in accordance with the terms and conditions set forth in said policies or plans and shall not be subject to the grievance and arbitration procedure set forth in this Agreement. The failure of any insurance carrier(s) or plan administrator(s) to provide any benefit for which it has contracted or is obligated shall result in no liability to the Village, nor shall such failure be considered a breach by the Village of any obligation undertaken under this or any other Agreement. However, nothing in this Agreement shall be construed to relieve any insurance carrier(s) or plan administrator(s) from any liability it may have to the Village, employee or beneficiary of any employee.

Section 10.3. Life Insurance. The Village will offer life insurance on the same terms as it is offered to other Village employees.

Section 10.4. Limitation of Liability. It is agreed that the extent of the Village's obligation under this Article is limited solely to the payment of the cost of the premiums for the insurance program provided hereunder, and employees and their dependents and beneficiaries shall be entitled to benefits, if any, only in accordance with and as governed by the terms and conditions of the insurance policies issued to provide such benefits. Neither the Village nor the Union shall

themselves be obligated to pay any insurance benefits provided for in this Article directly to employees or their dependents or beneficiaries

Section 10.5. Prescription Card. In the event that the Village offers prescription card coverage to all other Village employees, then the Village shall provide to all covered employees, for the duration of this Agreement, a prescription card for use in providing prescriptions to the employees and the dependents of the same type and under the same conditions as is provided to all other Village employees.

An employee calling in sick shall notify the Village in accordance with the current practice (two hours before the start of shift duty).

Beginning with the fourth (4th) sick day, an employee calling in sick may be subject to contact by telephone to verify that he is in fact home ill and the Village may request that a doctor's note be provided.

Section 12.10. Layoffs. The Employer will use reasonable efforts, in good faith, to try to assure that there will be no layoffs or involuntary furloughs.

If it is determined that layoffs are necessary, officers covered by this Agreement will be laid off by classification in accordance with classification seniority as provided in 65 ILCS 5/10-2.1-18.
