Meeting was called to order by Trustee Riess at 7:04 PM. In attendance were Mahmood Mohiuddin, Kathy Felice, Ted Schweitzer, Brian Heraty, and Mary Kay Swanlund. Also in attendance was Robin Grooms, Village Sustainability Coordinator.

A motion was made by Mr. Mohiuddin and seconded by Ms. Felice to approve the January minutes as published. On a roll call vote, that motion carried.

Ms. Grooms outlined some announcements regarding Bee City and informed the committee that we had been designated as a Bee City Affiliate community and the Sustainability Committee would also function as the Bee City Committee. She also outlined some of the initiatives and programs that the village would undertake in 2021

Trustee Riess opened the discussion regarding the Sustainability Committee website framework and what we were attempting to accomplish. He thanked everyone for their work and outlined what had been done so far and that we would be continuing to find content in the same manner for the 9 subject areas under Sustainability. A brief discussion was held on how we might find consensus on what content to keep and publish, and Trustee Riess indicated he would come up with a methodology and let everyone know.

Trustee Riess announced that we would hold a special meeting on March 4th and asked everyone to please try and attend.

There being no further business before the committee, a motion was made by Ms. Felice to adjourn, seconded by Mr. Heraty, and the meeting was adjourned at 7:36 PM
