TRADE-IN VEHICLE INFORMATION

Department of Public Works
Memorandum

TO: Mayor Dominick DiMaggio
Village Board of Trustees
Pamela O. Newton, Chief Operating Officer

FROM: Erika M. Frable, P.E.; Director of Public Works/Village Engineer

SUBJECT: Ratify purchase of 2025 Chevy Silverado

DATE: November 17, 2025

Public Works and Parks don't have enough vehicles to accommodate the staff and needs of the Departments. It is especially difficult in the Summer when we are staffed with summer helpers, in addition to our full-time staff. Additionally, we still have issues with vehicles getting to the condition where they need more work than they are worth. As we experience major repairs for several vehicles, we will need to take these vehicles out of service.

As a result, the Village Board approved the Budget Amendment at the September Village Board meeting, amending the budget to include an additional \$100,000 in the CIP – Public Works fund for the purchase of new vehicles for Public Works/Parks. In our search, we found a 2025 Chevy Silverado 2500HD pick-up truck at a cost of \$48,032.70. We worked with the COO and CFO to negotiate a deal with the car dealership and purchased the truck.

Funding Available:

The Village utilized the CIP – Public Works funds that were part of the Budget Amendment approved earlier this year to make this purchase.

Summary:

We recommend that the Village ratify the agreement with Zeigler Chevrolet Schaumburg to purchase the 2025 Chevy Silverado pick-up truck in the amount of \$48,032.70.
