

# A MESSAGE FROM THE MAYOR

Dear Resident,

On behalf of our Village Board of Trustees and staff, I welcome you to the Village of Hawthorn Woods and look forward to meeting you and your family in the near future. We are pleased to have you join our hometown as your next place of residence or next place of business.

Hawthorn Woods is known for its beautiful neighborhoods, outstanding school districts, open green spaces, environmentally progressive parks, and recreation areas. We are an upscale, friendly community that is an oasis from the urban pace. We enjoy our “rural by design” atmosphere, located just 40 miles from downtown Chicago. Close to home you will find a variety of desirable amenities, such as shopping, recreation, restaurants, places of worship, and employment opportunities.

We are a family-friendly community with activities available year-round. Free events include our July 3rd fireworks display and July 4th Independence Day parade; Hometown Holiday celebration including a visit from Santa; Bark in the Park; Party in the Park; Friday night concerts at Community Park during summer months; and our popular sled hill during the snow season. Community rooms located in our Village Barn and Aquatic Center, as well as our park shelters, are available for rent to host your next family event.

Our national award-winning Aquatic Center, located at 94 Midlothian Road, is the center of summer fun for the entire community. Come enjoy a 6-lane, 25-yard competition pool, a zero depth activity pool, a diving well with 2 diving boards, 2 water slides, as well as a spray and activity area, all for residents of every age and ability.

The Village provides a variety of services and communications easily accessed on our website at [www.vhw.org](http://www.vhw.org). If you should have any questions regarding Village operations or wish to receive our weekly electronic newsletter, please contact us at (847) 438-5500 or stop by Village Hall, Monday thru Friday, from 8:00 a.m. to 4:00 p.m.

We welcome you to Hawthorn Woods and hope you will soon become part of the neighborhood!

Warmest regards,

*Mayor Dominick DiMaggio*

Dominick DiMaggio, Mayor  
Village of Hawthorn Woods
