(Date)

Temporary Sign Requirements

- Not to exceed two(2) signs per zoning lot, except “Construction signs” shall not exceed one per site.
- No more than two (2) sign faces per sign structure.
- Not to exceed sixteen (16) square feet per sign face.
- Shall not be illuminated.
- Must be placed on private property with the consent of the property owner.
- Fee: \$55.00 (30 days maximum, unless business sign – no more than 4 permits per year)
- Refundable bond: \$100.00. Refundable if signs removed by expiration date
- Time Limitations:
 1. Real Estate Signs – Removed within seven (7) days after sale or lease. Real estate signs are exempt if under 6 sq feet.
 2. Construction Signs – In connection with the construction or remodeling of a building or other structure, a sign which identifies the name of the developers, contractors, engineers and architects on a site being developed or the structure being built or remodeled, the sign must be removed within two (2) weeks after completion of the project. Not to exceed 16 square feet.
 3. All Other Temporary Signs – Permit shall be issued for 30 days. No more than four (4) permits for temporary signs shall be issued to any business, property owner or other establishment in any calendar year.
