Parent/Tot (Ages 6 months - 3 years)
The purpose of parent/tot aquatics is to teach safe behaviors around the water. Parents and tots will develop swimming readiness as we lead them in water exploration activities with the objective of becoming comfortable in and around water, all while having fun together. Classes are 30 minutes. Water temperature is maintained at 84 degrees.

Preschool (Ages 3 - 5 years old)
This class aims to promote fundamental water safety and aquatic skills to young children. It also teaches aquatic and safety skills in a logical progression through play. This is for children who are not quite ready for the larger pool. It is all about water adjustment. Classes are 30 minutes.

Level 1 – Introduction to Water Skills (Ages 4 years & up)
This level is for children who are ready to learn how to swim. After passing this level, your child will be able to float on their front and back, kick and move their arms while swimming, and be ready to swim in the large pool. Classes are 45 minutes.

Level 2 – Fundamental Aquatic Skills (Ages 5 years & up)
Swimmers will continue to develop skills learned in level 1. In addition, swimmers will learn how to breathe, in coordination with arm movements, while swimming on their front and back. Classes are 45 minutes.

Level 3 – Stroke Development (Ages 5 years & up)
In order to succeed in level 3, swimmers must be comfortable in deep water above their head, and have knowledge of front crawl and back crawl with proper kick and arms. Swimmers will learn elementary backstroke, whip kick, dolphin kick, and scissors kick. Diving is introduced at this level. Classes are 45 minutes.

Level 4 – Stroke Improvement (Ages 6 years & up)
Level 4 will continue with perfecting the front and back crawl along with learning breast stroke, side stroke, and butterfly. Students will learn aspects of competitive swimming by learning starts and turns. After completing this level, swimmers will be able to perform all of the swimming strokes. Classes are 45 minutes.

Level 5 – Stroke Refinement (Ages 7 years & up)
When a swimmer passes this level, they will have perfected each of the five strokes learned in level 4, have knowledge of diving and flip turns, and will be ready for junior lifeguarding and swim team. Classes are 45 minutes.

Private Swim Lessons
Advance your child’s swim skills with private swim lessons at the Hawthorn Woods Aquatic Center! Private (max: 1 participant) and semi-private lessons (min/max: 2/4 participants) provide the opportunity for quality individual attention. We will match your child with the best instructor to fit their skill level and needs.

Fees:
30-Min Private Lessons:
$30/res; $40/non-res
30-Min Semi-Private Lessons:
$20/res; $30/non-res

Register for Private Swim Lessons:
Please call or come into the Aquatic Center during operating hours to fill out a Private Swim Lesson request form. Once your request is placed with the appropriate instructor, your instructor will call you to set up a time for your first lesson.
The Hawthorn Woods Aquatic Center Swim Lesson program is structured using American Red Cross guidelines. Levels are designed to build a foundation of basic swim skills that develop into mastering the different swim strokes. If you are new to the program, our staff will test your child to assist you in placing them in the appropriate level. **Swim lesson registration opens on March 1.**
