

Group Swim Lessons

Swim lesson registration opens on March 15.

The Hawthorn Woods Aquatic Center Swim Lesson program is structured using American Red Cross guidelines. Levels are designed to build a foundation of basic swim skills that develop into mastering the different swim strokes. If you are new to the program, our staff will test your child to assist you in placing them in the appropriate level.

Swim lessons will follow all local, state, federal, American Red Cross, and USA Swimming COVID-19 precautions and guidelines. Masks must be worn by participants while on the swim deck. Masks may be removed by participants when in the water. Instructors and participants will remain socially distanced as much as feasible. Instructors will wear face shields.
