

Still Working to Pave the Way!

2022 is the last year for the original SSA road program. Therefore, all residents currently paying into the SSA road program will see those taxes completely eliminated from their tax bill on December 31, 2022. If the proposed referendum is successful, a more equitable funding program would replace the current SSA road bond. The financial impact on your home depends on its location due to the expiration of the previous road bond on your property tax bill.

If the referendum passes, based on a home with a fair market value of \$500,000:

- Residents in **SSA 1** will see a **decrease** of \$81.18 on their property tax bill.
- Residents in **SSA 2** will see an **increase** of \$89.59 on their property tax bill.
- Residents in **SSA 3** will see a **decrease** of \$83.68 on their property tax bill.
- All residents will see a **decrease** with the elimination of vehicle sticker fees.
