# WHO WE ARE

The officers of the Hawthorn Woods Police Department are committed to excellence in providing effective, high-quality service to the community professionally and courteously. They work in partnership with the community to improve the quality of life for everyone. The officers protect everyone's rights and property and treat each person encountered with the respect and dignity they deserve.

# SUPPORT

The Hawthorn Woods Police Department receives numerous citizen requests asking how they can support those officers who serve to protect the citizens each and every day. We appreciate the delicious bakery items and treats dropped off throughout the year. At times, we are asked how someone can make a monetary donation to the Police Department. Whether they provide extraordinary vacation home watch services, provide exceptional follow-through, spend time mentoring in the school classrooms, or stay to ensure the comfort of extended family members after an incident or accident, the HWPD is second to none. That is why we have consistently been ranked within the top three safest communities in Illinois. The Hawthorn Woods Police Support Fund is a great way to donate to the Police Department, and the funds will be used strictly to purchase items for our officers.
